Re: Freedom of Information Act Request

Dear Custodian:

This is a request under the Freedom of Information Act.

We are requesting the following electronic/digital data: premium travel reports and any and all supporting documentation submitted by ALL federal agencies from 2009 to 2013. We understand the U.S. General

Services Administration is the custodian for these reports.

If this request is too cumbersome or time consuming, we are open to submitting a narrowing field of agencies.

In order to help to determine our status to assess fees, you should know we are reporters for The Washington Post, and this request is made as part of a news gathering effort.

We are willing to pay fees for this request, so please provide estimates.

We firmly believe that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations and activities of the government.

Thank you for your consideration of this request.

Sincerely,

Michael Sallah and Steven Rich
