Sir,

Dr. Kocker, Chief, Dept. of Radiology would like to express his sincere for your support.

His decision for Dr. Shepherd is to hold his application until Dr. Shepherd proves his eligibility.

Following his decision and members of Radiation Safety Committee at Martin Army Community Hospital, I would like for you to review only for Dr. Rohena this time.

If possible, I would like for you to hold Dr. Shepherd's application as pending file.

This matter will be discussed further at our next Radiation Safety Committee meeting on 06 Feb 2014.

If members of committee want to pursuit Dr. Shepherd as AU, I will forward his missing documents.

Please advise if you have any questions and greatly appreciate your concern.

Respectfully,

STEVEN S. CHO

CPT Cho,

Thanks for the information. In reviewing the complete package I noticed the ABR certificate for Dr. Shepherd did not contain the words "AU eligible". Can you please provide either a certificate or the letter explaining his qualification as AU eligible for Dr. Shepherd?

Thank you. Shawn
