Sir,

If Dr. Shepherd can resubmit his application later, I would like not to pursue his application at this time.

I will resubmit his application once he completed all his qualification. I personally I do not think he can provide his qualification until 14 February, 2014.

Thank you very much for your help and patient.

Respectfully,

CPT Cho,

We have until February 14th to get this action completed. I will wait until after your next RSC meeting on Feb 6, 2014. If you decide to not pursue Dr. Shepherd at this time you will be able to resubmit the package once his qualifications are met. Please let me know if you have any further questions.
