To whom it may concern,

We wish to amend our Radioactive Material License (RML) to reflect a change in Radiation Safety Officer (RSO) effective immediately. Colin Webb will be named as our new RSO and has completed the 40 hour RSO training course in Atlanta, Georgia on November 8, 2013. A copy of his certificate is attached with this correspondence. Colin Webb has also received instruction from Thermo Fisher Scientific (the instrument manufacturer) to conduct the bi-annual leak tests, but will not conduct any other maintenance on the device as expressed in section 17 of our material license.

If you have any questions, please contact me regarding this matter.

Sincerely,

Fred Wallis, P.E.
