Dear Mr. Zilka

We are pleased to invite you to attend the 12th International Workshop on Nuclear Regulatory Inspection Activities on Inspection of Licensee's Outage Activities, Event Response Inspections, and Post-Fukushima Inspections in Chattanooga, Tennessee (TN) from April 6-10, 2014, sponsored by the Organization for Economic Co-operation and Development (OECD), Nuclear Energy Agency (NEA), Committee on Nuclear Regulatory Activities (CNRA), Working Group on Inspection Practices (WGIP). This workshop will be hosted by the U.S. Nuclear Regulatory Commission (NRC).

The purpose of the workshop is to provide a forum for the exchange of information on regulatory inspection activities. As with previous workshops, participants will have the opportunity to meet with their counterparts from other countries and organizations to discuss current and future issues on the selected topics. They will develop conclusions and commendable practices regarding these issues and identify methods to help improve their own inspection programs.

On Thursday, April 10th, 2014, the NRC will host a tour of their Technical Training Center located in Chattanooga, TN.

Please plan to attend and take advantage of the opportunity to interact with your colleagues from around the world and to gain and share insights on inspection programs and the specific topics planned to be discussed at this workshop.

We look forward to seeing you in Chattanooga.

Sincerely,

/RA SCampbell For/
