Subject: Acknowledge Receipt of Application to Use SNM at an Alternate Location

Jeff,

I received and docketed your application, " Resubmittal of License Amendment Request Originally Dated 12/18/13" dated February 4, 2014. I am using the same TAC number, L33303, and will make an effort to complete the review as originally scheduled for May 2014. If you have any questions, please contact me.

Regards,

Chris Ryder
