Re: Letter of attestation for John J. Coen, MD

To Whom it Concerns:

I have supervised Dr. John J. Coen in three Y-90 SirSphere cases performed here, at Hartford Hospital. The dates of the treatments were 1/08/14, 11/27/13 and 10/16/13.

If you have any questions or desire additional information, please contact Mr. Peter J. Mas, MS, RSO at 860-545-2676, or 860-324-3438, or via email; peter.mas@hhchealth.org.

Thank you for your time and efforts with our requests.

Respectfully submitted,

Andrew L. Salner, MD, FACR
Director, Helen & Harry Gray Cancer Center

Re: Request for Additional Information; Materials License # 06-00253-04
Docket # 030-01239

Ms. Robin Elliott:

The following is the additional information your office requested for an amendment to the Materials License of our institution. The initial letter was signed by Donna Handley, VP.

ITEM 1. Facilities: The exhaust Xe-133 gas goes to the 1st level rooftop between the High Bldg and the South Bldg. Air intakes are not located on the rooftop space.

ITEM 2. Additional AU privileges.

John J. Coen, MD, to become authorized for material in 35.300

- a. Mr. Walter Hinton of SIRTex Medical has provided a signed, vendor specific training for the use of Y-90 Sir-Spheres.
- b. Recent Y-90 SirSphere therapies were done with Dr. Andrew Salner supervising Dr. John Coen on the following dates: 10/16/13, 11/27/13 and 1/08/14.
- c. The request additional request for 35.300 authorization is withdrawn for now. Your office has requested we first get an NRC Form 313 (AUT) to document aspects of his formal education and training.

If you have any questions or desire additional information, please contact me at 860-545-2676, or 860-324-3438, or via email; peter.mas@hhchealth.org.

Respectfully submitted,

Peter J. Mas, MS, DABMP
Medical Health Physicist & RSO
