Material Licensing Branch Region III
U.S. Nuclear Regulatory Commission
2443 Warrenville Road, Suite 210
Lisle, IL 60532-4352

Ref: 12-04933-02

Subject: License Termination

Dear Sir or Madame:

1. Request the termination of the NRC license 12-04933-02. All radioactive material was used and stored on site under our Illinois license. This license has already been cleared of all General License activities. Our Illinois license is currently being amended for research and development uses only.
2. The Downers Grove facility has already been released for unrestricted use. We are currently working out of the address listed in the letterhead above. Contact information is also provided.
3. The personnel on site have been changed. Jim Hare is the site leader and James Hatten is the current RSO.
4. All general license activities were transferred to the address and contacts listed below in November 2013. Final distribution paperwork was provided to you in January 2014. General license items are no longer manufactured or distributed from this license activity. Any future inquires for support or disposal of these sources of radioactive material can be address to the following contacts.

License#: 56-0683 (MA), Perkin Elmer Health Sciences, Inc., 68 Elm Street, Hopkinton, MA 01748
Contacts: Joe D'Ippolito, RSO, Office: 774-278-2715, Cell: 508-665-3951,
Joseph.D'Ippolito@perkinelmer.com

5. Request the termination of our NRC general distribution license effective immediately.

We believe that the provided information to be sufficient for the processing of our request. Please contact me if you need additional information concerning our license.

Sincerely,

A handwritten signature in cursive script that reads 'Jim Hare'.
Jim Hare
Site Leader
