SUBJECT: BAYHEALTH MEDICAL CENTER, VOIDANCE OF APPLICATION FOR
LICENSE AMENDMENT, CONTROL NO. 582455

Dear Mr. Murphy:

This concerns your amendment request letter dated October 3, 2013, requesting to add the Dover Outpatient Imaging Center and the Milford Outpatient Imaging Center as locations of use for mobile PET imaging. Additional information required to complete the action was requested by Janice Nguyen on January 3, 2014. Because your Radiation Safety Officer, Adam M. Henry, informed us on January 22, 2014, that you no longer need the requested action, we have voided your application. This action is taken without prejudice to the resubmission of your request.

The NRC's Safety Culture Policy Statement became effective in June 2011. While a policy statement and not a regulation, it sets forth the agency's *expectations* for individuals and organizations to establish and maintain a positive safety culture. You can access the policy statement and supporting material that may benefit your organization on NRC's safety culture Web site at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>. We strongly encourage you to review this material and adapt it to your particular needs in order to develop and maintain a positive safety culture as you engage in NRC-regulated activities.

Thank you for your cooperation.

Sincerely,

Original signed by James P. Dwyer
