Subject: NRC Office of Investigations Case No. 1-2013-005

Dear Mr. Walsh:

The Region I Field Office, NRC Office of Investigations (OI), initiated an investigation (Case No. 1-2013-005) on November 5, 2012, to determine whether a contract security officer was subject to discrimination for having raised safety concerns while working at Seabrook. Based on testimonial and documentary evidence developed during the investigation, the NRC found insufficient evidence to conclude that the contract security officer was subject to discrimination for raising safety concerns.

Please note that final NRC investigation documents, such as the OI report described above, may be made available to the public under the Freedom of Information Act (FOIA) subject to redaction of information appropriate under the FOIA. Requests under the FOIA should be made in accordance with 10 CFR 9.23, Requests for Records, a copy of which is enclosed for your information.

Also, in accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

No response to this letter is required. Should you have any questions regarding this letter, please contact Mr. Glenn Dentel of my staff at (610) 337-5233.
