SUBJECT: NRC OFFICE OF INVESTIGATIONS REPORT NO. 2-2013-008

Dear Mr. Orff:

This letter refers to an investigation conducted by the U.S. Nuclear Regulatory Commission (NRC), Office of Investigations (OI) to determine if a former Source Inspector and independent contractor with Procurement Services Consulting, Inc. (PSC), which was contracted by Chicago Bridge and Iron (CB&I) to provide Quality Assurance oversight at Cives Steel Company (Cives) was discriminated against for raising safety concerns. Based upon the evidence developed during the investigation, the NRC did not substantiate that discrimination occurred in this instance.

In accordance with Title 10 of the Code of Federal Regulations (10 CFR) 2.390 of the NRC's "Rules of Practice," a copy of this letter, its enclosure, and your response, if any, will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (i.e., the Public Electronic Reading Room).

You should note that final NRC documents, including the final OI reports, may be made available to the public under the Freedom of Information Act (FOIA) subject to redaction of information pursuant to the FOIA. Requests under the FOIA should be made in accordance with 10 CFR 9.23, Request for Records. The instructions for making a request for information under the FOIA are accessible at <http://www.nrc.gov/reading-rm/foia/foia-request.html>.
