Tom,

The reviewer is not back in the office until Monday, 3/3/2014. I will ask him Monday morning if he will be available for the 2 p.m. public call. I will not be able to let you know if he will attend until he returns to the office Monday.

Phyllis

We should plan to discuss on the Monday 3/3/14 Public Phone Call. As was discussed in yesterday's EPR meeting, these Group A chapters should be top priority for everyone. There were only a few changes made to Chapter 2. I could walk the reviewer through those changes in 15 minutes if he is on the call Monday afternoon.

Thanks,

Tom Ryan

Hi Tom,

The technical reviewer was not able to complete the review and is out of the office until next week. Therefore, I will have to wait until he returns to provide a status update as to when he will complete his review.

Thanks,

Phyllis

Phyllis – to follow-up from my phone call this morning, can you provide a status of the review of FSAR Chapter 2?

Thanks,

Tom Ryan

Importance: High

Tom and George,

The technical reviewer has not gotten back to me with comments on the US EPR FSAR Chapter 2 Non-RAI Changes in Rev 6. I will let you know if he has any comments when he gets back to me.

Thanks,

Phyllis
