Subject: Tracerco, Request for Additional Information Concerning Financial Assurance, Control 581292

Mr. Lanier,

This is in reference to your letter dated December 24, 2013, and January 29, 2014, submitting financial assurance documents to Nuclear Regulatory Commission License No. 07-28386-01, Docket No. 03031174 I have concurred with the decommissioning funding cost estimate of $13,025.00. In order to continue our review, we need the following additional information:

10 CFR 30.35 requires that licensees authorized to possess and use unsealed licensed material with a half-life greater than 120 days in quantities greater than those described in 10 CFR 30.35(d) must submit a decommissioning funding plan (DFP). The remaining items contained in a DFP is the certification of financial assurance and an approved financial assurance mechanism. Submit certification for financial assurance for $13,025 or more and a financial assurance mechanism using one or more of the approved financial assurance mechanisms provided in Chapter 4 to Volume 3 of NUREG-1757. Please follow closely the recommended wording for financial assurance mechanisms found in Appendix A to Volume 3 of NUREG-1757.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. 581292. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter.
