Subject:	FYI: Receipt of Washington final regulations to incorporate RATS IDs 2009-1 and 2012-2

Dear Mr. Jansen:

The Office of Federal and State Materials and Environmental Management Programs has received Earl Fordham's two February 25, 2014, e-mails transmitting Washington's final regulation to incorporate RATS ID 2009-1 and 2012-2.

Per my discussion with Michelle Austin, we will be combining the two packages into one review. The review has been assigned to Marti Poston-Brown and it is our goal to complete the review within 60 days.

If you have any further comments or questions, please contact me. Thank you for your attention.
