Pursuant to the provisions of the Freedom of Information Act, I hereby request a printout identifying the 10 oldest still-classified or restricted documents in the NRC central documents management database. Alternatively, I would instead accept a copy of the title page only of each of the ten oldest still-classified or restricted documents in the NRC central documents management database.

Please note the case Schladetsch v. HUD, No. 99-0175, 2000 WL 33372125, at *3 (D.D.C. Apr. 4, 2000) ("Because [agency] has conceded that it possesses in its databases the discrete pieces of information which [plaintiff] seeks, extracting and compiling that data does not amount to the creation of a new record."), appeal dismissed voluntarily, No. 00- 5220 (D.C. Cir. Oct. 12, 2000).

This is a noncommercial individual request that falls into the fee category All Other Requesters. I agree to pay up to \$35 for statutory fees if necessary.

Sincerely,

Michael Ravnitzky
