**Subject:** Status Update for the 20FEB14 PM Call

Alicia,

Thank you for your message yesterday regarding your travel to South Florida to meet with state agencies and to observe tonight's NPS land exchange DEIS public meeting. Since you said you would not be available for our scheduled PM call tomorrow morning, I would appreciate receiving in advance a status update on the following topics:

1. Public meeting date/notice for FPL to receive and respond to your outstanding DEIS information needs you mentioned to us in January.
2. Phase 2/Phase 3 Environmental Review Key Milestones schedule.
3. Other/new awareness or coordination items.

Regarding your requests for the current MACCS2 and ArcGIS files, FPL plans to submit the former next week and the latter during or shortly after the upcoming RIC.

Thanks, Alicia.

Rick
