Re: Docket 50-326

Attention:
Jason Lising, Senior Project Manager

Re: **Docket 50-326 R-116 Relicense**

Dear Mr Lising,

Please find enclosed a new security plan for the facility, as promised. Note that this is essential a new plan even though evolved from the former versions.
When separate from the enclosure, this document is not Safeguards Information.

I declare under penalty of perjury that the foregoing and the attached are true and correct to my knowledge.

Executed on March 5^h 2014

A handwritten signature in black ink that reads "G. E. Miller".

Dr. George E. Miller

Cc: A. J. Shaka, Reactor Facility Director
Chief Paul Henisey, UCIPD
