Ref: License # 12-04933-06E Annual Exempt Source Distribution Report for 2012

Dear Mr. Harris:

In compliance with 10CFR32.22 we are submitting our annual summary report stating the total quantity of each radionuclide transferred under the specific license referenced above for distribution of exempt quantities.

The radionuclide and activities are summarized below:

ISOTOPE	Single Isotope Activity		Duel Isotope Activity		Total Activity uCi	
	uCi	Qty	uCi	Qty	uCi	Qty
C14	205.4	158	6	12	211.4	170
H3	159.9	123	14	12	173.7	135
I129	0.9	17			0.9	18
I125	0.517	33			0.517	33
Co57	1.82	5			1.82	5
Cs137	0	0			0	0
Cr51	0	0			0	0
Grand Totals					388	361

This is our final exempt distribution. We request the termination of our exempt distribution license effective immediately. Our license material was possessed and used under our Illinois license which is currently be modified to remove the manufacturing and distribution authority.

If additional information is needed please contact Jim Hatten at 815-370-6538
