- (2) Provide advice and guidance to the contractor in the preparation of drawings, specifications, or technical portions of the work description.

- (e) The contractor shall proceed promptly with the performance of technical directions duly issued by the Contracting Officer Representative in the manner prescribed by this clause and within the Contracting Officer Representative's authority under the provisions of this clause.
- (f) If, in the opinion of the contractor, any instruction or direction issued by the Contracting Officer Representative is within one of the categories as defined in paragraph (c) of this section, the contractor may not proceed but shall notify the contracting officer in writing within five (5) working days after the receipt of any instruction or direction and shall request the contracting officer to modify the contract accordingly. Upon receiving the notification from the contractor, the contracting officer shall issue an appropriate contract modification or advise the contractor in writing that, in the contracting officer's opinion, the technical direction is within the scope of this article and does not constitute a change under the "Changes" clause.
- (g) Any unauthorized commitment or direction issued by the Contracting Officer Representative may result in an unnecessary delay in the contractor's performance and may even result in the contractor expending funds for unallowable costs under the contract.

NRC-HQ-12-C-29-0108 Modification No. 003 Page 5 of 5

- (h) A failure of the parties to agree upon the nature of the instruction or direction or upon the contract action to be taken with respect thereto is subject to 52.233-1 -Disputes.

  - (4) Assist the contractor in obtaining the badges for the contractor personnel.
