Nathan and David,

Here is the agenda I am publishing today for the 3/19 meeting. I worked in Midloop discussion for the end of the day. Please let me know if you have questions or concerns.

Please also let me know when we will get your draft slides on Fukushima and Midloop. It would be helpful to have them **at least** a full day in advance, versus seeing them for the first time at the meeting. Getting them Monday 3/17 would be great.
