Re: Docket Nos. 50-361 and 50-362

Dear Mr. Parr:

I am in receipt of your letter dated April 23, 1975, concerning continued receipt of copies of correspondence to the applicant originated by the Division of Reactor Licensing re the above-referenced Docket Numbers.

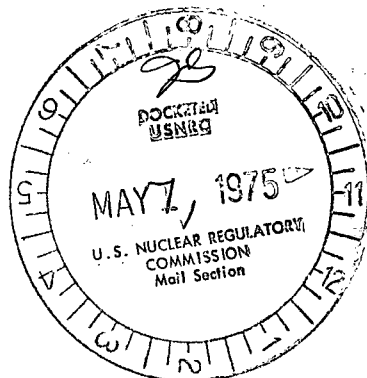

The City of Anaheim, among others, is presently contemplating purchasing a share of San Onofre Nuclear Generating Station, Units 2 and 3 and, therefore, we feel it would be most appropriate to continue receiving copies of correspondence sent by your Division to the applicants for these Docket Numbers.

Very truly yours,
