Location(s) Selection Form

FAA Region: ALL FAA REGIONS

Airports District: ALL DISTRICTS

State: ALL STATES

County: ALL COUNTIES

City: ALL CITIES

Facility Use: ALL FACILITIES

Part 139 Certification: ALL FACILITIES

■ To view all locations click the Submit button without making any selections.

■ A city or county name may exist in more than one state. If you select a city or county you must also select a state to avoid these duplicates.

■ If you are not certain what region or district to select go to [Contact Information for FAA Headquarters and Regional Airports Offices](#) for the associated states.

Modification Reports

The following reports contain modifications made since the previous publication of this data and are designed for the maintenance of airport data contained in an application used within the FAA.

■ [Airport data modifications](#)

■ [Runway data modifications](#)

■ [Facilities data modifications](#)

These may have value to you if you maintain a similar database separate from the NFDC airport data.

## Data Dictionaries

We provide the following lists showing the field names and descriptions for the four tables that comprise the airport data.

- [Facilities](#)
- [Runways](#)
- [Remarks](#)
- [Schedules](#)

[Back to Top](#)

## Data Source

- The full data set is available from the [NFDC - National Flight Data Center](#) under the Applications heading as [Facility Aeronautical Data Distribution System \(FADDS\)](#). This resource requires a login account. The [Login](#) link and [New User Registration](#) links are at the bottom of the page.
- Data for a selected airport is available from the [NFDC - National Flight Data Center](#) under the Lookup Airport Data heading.
