## Telephone Conversation Record

Date: 4/7/2014

License No.: 37-30385-01

Docket Nos: 03034422

Mail Control/Report No.: 583417

Licensee Names: Pennsylvania Soil & Rock, Inc.

Participant(s) Name/Title: Mark Brashear, RSO

Work Telephone No.: 412 372 4000

NRC Representative Name/Title: Sattar Lodhi

Subject: Number of Gauges

Discussion:

The licensee requested to make adjustment to its authorized gauges. The current license authorizes excessive number of gauges for a licensee in an Agreement State. I called the RSO to explain that it was not necessary to have authorization on an NRC license for all of their gauges that are authorized on their Agreement State license, and they need to have the number of gauges that they expect to have in any NRC jurisdiction at one time. The RSO stated that they do not expect to have more than five gauges in NRC jurisdiction at any one time. I informed him that I will amend the license accordingly.

Action Required: Document.
