As a taxpayer and gainfully employed individual  
of San Diego County, California. I hereby move that  
there be public testimony be heard during  
evening hearings in San Diego with advanced  
public notice of date and time, for licensing San Onofre

II & III.

If individual notice will be given as to the  
registration for public hearing time slots, please  
forward such application and materials.

Thank you for your time.

Sincerely,  
Peter McDade

Walnut Creek, Ca. 94596

I am writing to request that there be public testimony allowed at the upcoming licensing hearings for San Onofre. With this request comes the reasonable demand that these hearings be held in San Diego, nearby and acceptably close to the people most affected by your decisions. I would like to request also that these be evening hearings and that the people in the areas surrounding San Onofre be well notified about the hearing dates and times.

Sincerely,  
Cynthia Myers
