Lisle, IL 60532-4352

Dear Mr. Tran:

The following information is being provided per our 3/17/14 telephone conversation regarding the amendment to add Community Regional Cancer Center South as an address of use for materials license 13-06009-01. In regard to the PET-CT suite we commit to ensuring that we will comply with the occupational dose limits for adults as outlined in 10 CFR 20.1201 and with the radiation dose limits for individuals of the general public as described in 10 CFR 20.1301. We will demonstrate compliance by survey and measurement.

If you require further clarification or assurance, please do not hesitate to contact me. Thank you for your assistance and consideration.

Sincerely,

Andrea D. Browne, Ph.D.
