Lymari Sepulveda, General Engineer
U.S. Nuclear Regulatory Commission
Source Safety and Security Branch
Office of Federal and State Materials & Environmental Management Programs
Mail Stop T:8F3
Washington, DC 20555

Dear Lymari Sepulveda;

This is in response to your email dated April 21, 2014 requesting clarification for the two Alpha Omega Services, Inc. facilities cited in my letter dated August 29, 2013. The manufacturing agreement is between the Primary Service Center (PSC), Nucletron, an Elekta Company, located in Veenendaal, The Netherlands, and the business office of Alpha Omega Services, Inc. located at 9156 Rose Street Bellflower, CA 90706.

The US office of Elekta Inc., located at 400 Perimeter Center Terrace, Suite 50, Atlanta, GA 30346, will be the distributor of the sources which are assembled in the Alpha Omega Services, Inc. manufacturing facility located at 1282 Bigwoods-Starks Road, Edgerly, LA 70668.

Should you have any further questions or need additional information, please feel free to contact the undersigned at 770-670-2518 or via email at debra.bensen@elekta.com.

Sincerely,

Debra L. Bensen, RSO
