- RE: 1) Request to Substitute Amendment Request from Page 8a in RE 2) to Attachment to this letter
2) Letter dated April 29, 1999 to Mr. Eric Jameson, DNR from T. Robin, RSO - "Requests for Amendment Request ... ", File: REGSS8.doc

Dear Mr. Jameson:

RE: 2 was a request to submit a revised amendment request for sealed source registration GA645S101S. This letter request that the attached Page 8a be substituted for that page in RE: 2.

Please treat the enclosed material as proprietary and confidential as this information would be valuable to competitors. We are requesting approval and issuance of the revised Sealed Source Certification action by June 24, 1999 -- i.e. update of: Registry of Radioactive Sealed Sources and Devices - Safety Evaluation of Sealed Source (Amended in its entirety). We are scheduling communication to users beginning at that time to coincide with appropriate NIST and AAPM updates and instructions on our product. Please let us know of any question or requests.

Sincerely,

T. Tydings Robin, Jr., Ph.D.
Radiation Safety Officer
