**Attachments:** ken adelman training .pdf

Bryan,

Attached are the training records for basic radiation safety for Kenneth "Brit" Adelman, for license number 24-20091-01, Mail Control Number 583039. WE are not having much success in obtaining the records from Mallinckrodt for previous radiation safety training he had there. Please feel free to contact me if you have any questions or need further information.

Thank you,

Joseph D. Koch, PhD  
Director of Operations/Asst. RSO
