Southern Nuclear Operating Company
Vogtle Electric Generating Plant Units 3 and 4
Supplement to Request for License Amendment and Exemption:
Tier 1 Editorial and Consistency Changes (LAR-13-017S)

Ladies and Gentlemen:

In accordance with 10 CFR 50.90, Southern Nuclear Operating Company (SNC), the licensee for Vogtle Electric Generating Plant (VEGP) Units 3 and 4, requested an amendment to Combined License (COL) Numbers NPF-91 and NPF-92, for VEGP Units 3 and 4, respectively, by letter ND-13-2178 dated November 4, 2013. SNC requested the amendment that proposed to depart from approved AP1000 Design Control Document (DCD) Tier 1 information as incorporated into the Updated Final Safety Analysis Report (UFSAR) and to revise the associated material included in Appendix C of each of the VEGP Units 3 and 4 COLs to make editorial changes for consistency with the UFSAR Tier 2 information. It was subsequently identified that the markup of Tier 1 Figure 2.2.5-1, which was provided as page 2 of Enclosure 3 to the November 4, 2013 letter, was missing some details from that described in the text of the license amendment request (LAR) and was also inconsistent with the markup provided by South Carolina Electric & Gas Company (SCE&G) in the corresponding markup in LAR 13-25 for V. C. Summer Nuclear Station (VCSNS) Units 2 and 3.

This letter provides a revised version of the Tier 1 Figure 2.2.5-1 markup to resolve these inadvertent publication errors, as Enclosure 4 of SNC LAR-13-017. The revised Tier 1 Figure 2.2.5-1 markup includes revisions to the markup provided in LAR-13-017 and replaces Enclosure 3 page 2 in its entirety.

The information provided in Enclosure 4 does not change the scope of, nor affect the Technical Evaluation or the conclusions of the Significant Hazards Consideration determination in the original license amendment request (LAR-13-017) submitted on November 4, 2013. This letter contains no regulatory commitments.

In accordance with 10 CFR 50.91, SNC is notifying the State of Georgia of this LAR supplement by transmitting a copy of this letter and enclosure to the designated State Official.

Should you have any questions, please contact Mr. Jason Redd at (205) 992-6435.

Mr. Brian H. Whitley states that: he is the Regulatory Affairs Director of Southern Nuclear Operating Company; he is authorized to execute this oath on behalf of Southern Nuclear Operating Company; and to the best of his knowledge and belief, the facts set forth in this letter are true.

Respectfully submitted,

SOUTHERN NUCLEAR OPERATING COMPANY

Brian H. Whitley
