Subject: Required Bankruptcy Notification

(This is the title that will be used in ADAMS)

Discussion: (08:00) I spoke with Ms. Morrow about the license, bankruptcy and the licensee's operations. She stated that the licensee name would remain unchanged, there were no changes in named personnel, the license accurately reflects its licensed activities, and procedures remained the same. Further, she stated that she was unaware of the bankruptcy notification requirements in 10 CFR 30.34(h). I provided her with the link to NUREG-1556, Vol.15 which provides guidance on bankruptcy and my name and phone number should she require assistance. She indicated that she would draft a letter but it would need to go through her corporate business office.
