Subject: Important correction for Waste Confidence December 9th teleconference

Hello,

Our e-mail dated 10/28/2013, titled, "Waste Confidence comment period extension and important public meeting information," contained an incorrect phone number and passcode for our December 9th public teleconference to receive comments on the Waste Confidence Draft Generic Environmental Impact Statement (DGEIS) and proposed rule.

The correct phone number and passcode are below. Also included is a link to the official meeting notice and agenda for the December 9th public comment teleconference:

Date	Description
Monday, December 9, 2013 1:00 p.m. – 4:00 p.m. EST	**Public Teleconference to Receive Comments on the Waste Confidence DGEIS and Proposed Rule** Prior to the start of the meeting, please dial **1-888-603-9749** and provide the operator with passcode **5132332**. • Meeting Notice (ML13302B935): http://pbadupws.nrc.gov/docs/ML1330/ML13302B935.pdf

Furthermore, in an e-mail dated 10/21/2013, titled, "Announcing new dates for Oak Brook, Carlsbad, and San Luis Obispo meetings," we incorrectly specified CDT (Central *Daylight* Time) and PDT (Pacific *Daylight* Time), when those meeting times are *Standard* Time (CST and PST).

For information on all our upcoming public meetings, please visit our Waste Confidence Public Involvement webpage at http://www.nrc.gov/waste/spent-fuel-storage/wcd/pub-involve.html.

If you have further questions or need additional clarification please call or e-mail Sarah Lopas at (301) 287-0675 or Sarah.Lopas@nrc.gov.
