RE: Lisence application for Tapio Paper Variabilty Analyzer, State of Georgia

We have sent you a feirly thick letter maybe about 2 weeks ago containing the information you requested. When you have studied the data could you pls let us know as soon as possible if anything else is needed. This since we are finally getting ready to actually come to US market. I will be in the office til Friday afternoon (the 9th) and then gone for 3 weeks (summer vacation), so could you fax the data during my holidays or call (or fax) during this week.

Thank You for your help !
