SUBJECT: License No. SUB-1602

Dear Ms. Joustra,

Anniston Army Depot (ANAD) is notifying the Division of Nuclear Materials Safety that no license related activity has occurred for subject since it was issued.

We will notify the NRC prior to commencement of license activity.

If you have any questions don't hesitate to contact Mr. Anthony Phillips at 256-235-7544 or via email at [anthony.l.phillips.civ@mail.mil](mailto:anthony.l.phillips.civ@mail.mil).
