Re: Transfer of Generally Licensed Devices

Attention: GLTS

Black Panther Mining LLC recently transferred (2) generally licensed devices containing radioactive sealed sources to a specific licensee as issued by the Region IV office of the United States Nuclear Regulatory Commission (USNRC). Materials License #13-35049-01 authorizes Black Panther Mining LLC to possess all devices previously registered under general license to the same. The devices are identified as:

Manufacturer	Model	Serial #	Isotope	Activity
Thermo	5201	B5083	Cs-137	100 mCi
Thermo	5201	B5256	Cs-137	100 mCi

The location of the devices within the facility remains the same.

This document represents the notification as required under Title 10 of the Code of Federal Regulations, Part 31.5. Any questions related to this response should be forwarded to this office 812-745-2970 or mdurbin@fivestarmining.com
