Subject: Peer Review Part V - Physical Protection

Laura Dudes
Director, Division of Materials Safety and State Agreements
NRC

Dear Laura,

Please find attached a draft *Suggested State Regulation for Control of Radiation*, Part V – Physical Protection of Category 1 and Category 2 Quantities of Radioactive Material. The Board of Directors of CRCPD has released this draft for peer review. The comment period for this Part is 60 days. CRCPD would like to have comments in hand by July 24, 2014. Your agency is encouraged to provide input on this draft Part.

Comments may be sent to the chair of SR-V, Francis Costello. Frank is collecting responses at fcostello@pa.gov.

Attached are the following files:

V_Draft April-2014.pdf
V_Draft-Rationale-revised.pdf

If you have any trouble viewing either of these attachments, please feel free to contact me at 502/227-4543 ext 2234.

Thank you for your assistance in moving this important matter forward for CRCPD.
