Docket No. 52-033

Subject: DTE Electric Company Submittal of COLA Markup Associated with Editorial
Corrections to Fermi 3 FSAR Chapter 1

During a review of Chapter 1 of the Fermi 3 FSAR, a discrepancy was identified in FSAR Table 1.11-202. Specifically, the Left Margin Annotation (LMA) associated with this table was incorrectly designated as "EF3 COL 1.11-2." The correct LMA for this table should be "EF3 SUP 1.11-1" to be consistent with the conventions described in Subsection 1.1.1 of the Fermi 3 FSAR. The proposed COLA change is contained in the attachment to this letter and will be included in the next revision of the Fermi 3 COLA.

If you have any questions, or need additional information, please contact me at (313) 235-3341.

I state under penalty of perjury that the foregoing is true and correct. Executed on the 30th day of May 2014.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Smith".

Markup of the Fermi 3 COLA

The following markup represents how DTE Electric intends to reflect this information in the next submittal of the Fermi 3 COLA. However, the same COLA content may be impacted by responses to other COLA RAIs, other COLA changes, plant design changes, editorial or typographical corrections, etc. As a result, the final COLA content that appears in a future submittal may be different than presented here.
