Re: Freedom of Information Act Request

Attn Donna L. Sealing:

This is a request under the Freedom of Information Act.

I request that a copy of the following documents be provided to me:

A copy of correspondence from United States Congressman Travis Childers and the response to the correspondence from May 2008 through January 2011. I am not seeking information related to casework conducted by the Congressman on behalf of individual constituents. I believe the correspondence are most likely to be held by your Office of Congressional Affairs and likely tracked within a correspondence management system. I am specifically looking for correspondence regarding policy, legislation, or regulations, recommendations for executive branch positions or appointments, or support or opposition to federal funding for programs, projects, or companies.

I request that whenever possible, the documents be transmitted to me in an electronic format as an attachment to an email.

Thank you for your consideration of this request. Please do not hesitate to contact if you have further questions.

Sincerely,  
Thomas H. Jones
