Ms. Austgen,

Attached are the NRC comments to the NEI Draft Prioritization and Scheduling Guidance submitted to the NRC via letter in April 15, 2014 (Agencywide Documents Access and Management System Accession [ADAMS] Accession No. ML14105A481). These comments encompass input from our Emergency Preparedness, Security, and Radiation Protection working group team members as well as from the Office of Nuclear Reactor Regulation (NRR). We will also transmit these comments in the summary of the May 28, 2014 public meeting as an attachment.

If you have any questions please contact me at my office number or via email.

Thank you,
