NOTICE

This message is intended only for the use of the individual or entity to which it is addressed and may contain information that is privileged, confidential, or exempt from disclosure under applicable law. If the reader of this message is not the intended recipient or the employee responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you received this communication in error, please notify the sender immediately by telephone and return the original to the above address, by U.S. Mail. Thank You.

The following additional information is needed to review the renewal request.

Facility Diagrams

1. Please resubmit the facility diagram with the address of the facility on the facility diagram. I need facility diagrams for both locations at:

- a. 441 North Wabash Avenue, Marion, Indiana, and
- b. 1410 W. Bella Drive, Marion, Indiana

Without the address it is difficult to identify the location of the facility.

- 2. Please make sure that each facility diagram includes the following:
 - a. Again, please put the address of the facility on the facility diagram.
 - Drawings should be to scale, and indicate the scale used (such as 1 inch = 1 foot). OR Specify the room dimensions where radionuclides are used or stored, (such as 14 feet by 12 feet).
 - c. Location, room numbers and principal use of each room or area where byproduct material is prepared, used or stored. Also if using PET radionuclides, location of a "quiet room", additional shielding, remote handling devices, and confirm that you will perform surveys to ensure that you will not exceed the dose limits specified in 10 CFR 20.1301.
 - d. Location, room numbers, and principal use of each adjacent room (e.g. office, file, toilet, closet, hallway), including areas above, beside and below. Please indicate whether the room is a restricted or unrestricted area.

Please send a facsimile (630- 515-1078) of your response to the above within 14 days and state, Response to Control 582881. Please include a cover letter on company letterhead, dated and signed (signed by an individual who is authorized to sign official documents on behalf of the licensee) with your response letter. Please call me at 630-829-9839 if you have any questions.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this facsimile and the attached documents will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at http://www.nrc.gov/reading-rm/adams.html (the Public Electronic Reading Room).
