I am reviewing your request to name you as RSO. From the documentation, it appears that you took the RSO training on-line. The RSO training must meet the criteria in NUREG 1556, Vol 1, Rev 1 or Rev 2 (draft). Please have your management send a letter confirming that you have been provided instructions/training in:

1. NRC regulatory requirements;
2. Conditions of your license;
3. Your operating and emergency procedures;
4. Safe use of nuclear gauges; and
5. Record keeping requirements of NRC

Please refer to Control No. 583892 in your response. Your management can send the requested letter via e-mail to me (attached as pdf), via fax (610) 337 5269, or via regular mail.at:
