BELL BEND NUCLEAR POWER PLANT
SCHEDULE INFORMATION FOR RAI NO. 129
BNP-2014-080 Docket No. 52-039

Reference: 1) M. Takacs (NRC) to R.R. Sgarro (PPL Bell Bend, LLC) Bell Bend COLA-Final RAI 129-7400 for the emergency planning section of the Bell Bend COL Application (RAI 129), email dated May 5, 2014.

The purpose of this letter is to provide updated schedule information for the Request for Information (RAI) No. 129 (Reference). This RAI addresses the Emergency Plan and emergency planning activities as submitted and discussed in Part 5 of the PPL Bell Bend, LLC (PPL) Bell Bend Nuclear Power Plant (BBNPP) Combined License Application (COLA).

PPL is aware that additional RAI questions are being prepared by NRC for the BBNPP Emergency Plan. PPL expects to receive these new questions soon. PPL wishes to integrate our plans for responding to these new questions with the response to RAI 129. PPL will provide the response to RAI 129 to the NRC on or before June 30, 2014, which is the only new regulatory commitment in this letter.

Should you have any questions, please contact the undersigned at 610.774.7552.

Respectfully,

Rocco R. Sgarro
