Subject: Official Use Only status of application dated May 20, 2014

Discussion: I told Mr. Schopfer that the letter dated May 20, 2014, containing the application dated May 20, 2014 did not have information in it that we would classify as "Official Use Only." I asked him if his agency would classify it as "Official Use Only" as it was only an address change. He stated that the letter contained boilerplate that was not accurate. He reviewed the letter again and stated that his agency had no criteria that would prohibit public release of the letter dated May 20, 2014, and its application.

Action Required: Classify the letter dated May 20, 2014, for public release.
