---

Amy

See attached. Note these are updated from the 1986 RMP. These are recommended guidelines similar to BMPs. They are not an RMP decision (so can be used now) and only the sections that are applicable would be used. Those items specific to oil and gas drilling would not be applied.

Call if you have questions.

Mitchell

I just wanted to confirm our meeting scheduled for Monday at 11:30 EST (9:30 your time). I will call you at your office and link Amy (Ecology Reviewer).

Thanks and have a nice weekend.

Haimanot Yilma  
Project Manager
