Re: Request for Documents Relating to
Carolina Power & Light Company's
Nuclear Facilities

Dear Mr. Ebnetter:

Earlier this morning I spoke with Mr. Ken Clark of your office regarding the placement of the Public Service Commission of South Carolina on your service list for all documents relating to Carolina Power & Light Company's nuclear facilities. (Brunswick Units 1 and 2, Robinson Unit 2, and Harris). Mr. Clark said that upon receipt of a letter making this request, the NRC would ensure that the Public Service Commission would be placed on such a list. Mr. Clark also informed me that there would be no charge for these documents.

Thank you for your attention in this matter. Please let me know if you have any questions regarding this request. All documents may be sent to my attention at the address noted on this letterhead.

Yours truly,

Gayle B. Nichols
