Carolina Power and Light Company  
Attn: J. A. Jones, Executive Vice President  
and Chief Operating Officer  
411 Fayetteville Street  
Raleigh, North Carolina 27602

Gentlemen:

This refers to the inspection conducted by C. Julian of this office on April 30 through May 3, 1979 of activities authorized by NRC License No. DPR-23 for the H. B. Robinson 2 facility, and to the discussion of our findings held with C. W. Crawford at the conclusion of the inspection.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspectors.

Within the scope of this inspection, no items of noncompliance were disclosed.

We have examined actions you have taken with regard to previously reported unresolved items. The status of these items is discussed in the enclosed report.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
