On 6/24/2014 I contacted Tom Gieck, the UMETCO Project Leader for the UMETCO Gas Hills East project to discuss your questions about the Umetco 2014 annual surety. In response to your questions Mr. Gieck confirmed that the labeled "CPI April 2013" should be "CPI April 2014." He also confirmed 320 as the estimated number of hours that the Hydrologist and Geochemist would spend on the project.

Please let me know if you have any additional questions
