NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

OFFICE OF THE
INSPECTOR GENERAL

June 24, 2014

Ms. Taunja Berquam
Committee on Appropriations
Subcommittee on Energy and Water Development
Longworth House Office Building, 1016
United States House of Representatives
Washington, DC 20515-6157

Dear Ms. Berquam:

The Office of the Inspector General (OIG) at the U.S. Nuclear Regulatory Commission has been assigned also to serve as OIG for the Defense Nuclear Facilities Safety Board (DNFSB). Therefore, I request your participation in recommending topical/specific areas pertaining to DNFSB programs and operations to be examined by my office during Fiscal Year 2015. OIG's planning process is designed to yield assignments that will encourage efficiency, economy, and effectiveness of DNFSB programs and operations; detect and prevent fraud, waste, and mismanagement; and improve program and security activities at DNFSB.

My office is committed to ensuring the integrity of DNFSB programs and operations. Developing an effective planning strategy is a critical aspect of accomplishing this commitment. Such planning ensures that audit and investigative resources are used efficiently.

I look forward to your input into our annual planning process. A response is requested by July 7, 2014. If you need additional information, please call me at 301-415-5930 or Stephen Dingbaum, Assistant Inspector General for Audits, at 301-415-5915.

Sincerely,

A handwritten signature in cursive script that reads "Hubert T. Bell".
