"This ordering period for this contract shall commence on September 24, 2010 and will expire on September 23, 2015. Any orders issued during this period shall be completed within the time specified in the order, unless otherwise specified herein. (See 52.216-18 - Ordering.) The term of this contract may be extended at the option of the Government for one (1) additional one-year option period.

- 2. Section B.5 CONTRACT TYPE, is <u>deleted</u> in its entirety and <u>replaced</u> with the following:
  - (a) "The contract type will be an Indefinite Quantity, Delivery Order Labor Hour Contract with firm fixed hourly rates; with a not-to-exceed (NTE) Task Order and Total Contract Ceiling of \$3,124,020.75. Should the contractor exceed the NTE or obligated ceiling, it does so at its own risk.
  - (b) All Labor Hour Rates are fixed to include all costs including, but not limited to: direct labor, fringe benefits, overhead, G&A, and profit necessary to provide all the services required in the contract.
  - (c) Other Direct Costs will be reimbursed for actual costs only, Note: back up documentation/receipts must be attached to the invoice."
- 3. Section B.6, CONSIDERATION AND OBLIGATION—DELIVERY ORDERS (JUN 1998), is <u>deleted</u> its entirety and <u>replaced</u> with the following:

"(a) The total estimated amount of this contract (ceiling) for the products/services ordered, delivered, and accepted under this contract is \$3,124,020.75. The Contracting Officer may unilaterally increase this amount as necessary for orders to be placed with the contractor during the contract period provided such orders are within any maximum ordering limitation prescribed under this contract.

(b) The amount presently obligated with respect to this contract is \$2,058,289.50. The Contracting Officer may issue orders for work up to the amount presently obligated. This obligated amount may be unilaterally increased from time to time by the Contracting Officer by written modification to this contract. The obligated amount shall, at no time, exceed the contract ceiling as specified in paragraph a above. When and if the amount(s) paid and payable to the Contractor hereunder shall equal the obligated amount, the Contractor shall not be obligated to continue performance of the work unless and until the Contractor in excess of the obligated amount specified above is done so at the Contractor's sole risk."
