Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 50-261/93-26

Thank you for your response of December 29, 1993, to our Notice of Violation, issued on November 26, 1993, concerning activities conducted at your H. B. Robinson facility. We have evaluated your response and found that it generally meets the requirements of 10 CFR 2.201; however, it was noted that the required response was late with respect to the 30 days requested in the Notice. We will examine the implementation of your corrective actions as well as the circumstances surrounding your delayed written response to this enforcement action during future inspections.

We appreciate your cooperation in this matter.

Sincerely,
