Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 50-261/94-04

This refers to the inspection conducted by W. T. Orders of this office on January 23 - February 25, 1994. The inspection included a review of activities authorized for your H. B. Robinson facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.
